

Two angling community initiatives:

- beach litter cleaning
- fishing lines; collect and recirculate

MARLISCO Kick-Off Meeting
26-27 July 2012, Brussels

*Input from EAA, Europe Anglers Alliance and
EFTTA, European Fishing Tackle Trade Association,
by Jan Kappel*

Angling Trust (AT) campaign: “Just Take 5”

- Launched in April this year
- Supported by the Marine Conservation Society
- The Angling Trust will be promoting “Just Take 5” by providing angling clubs, tackle shops and other organisations with “Just Take 5” posters over the coming months.

JUST TAKE

Help Stop Litter Spoiling Our Beaches And Coastline

As anglers we know we have a responsibility to protect wildlife and our sport's reputation by leaving the coast free of angling-related litter - but let's not stop there...

Next time you are fishing just take 5 minutes to pick up someone else's litter or pick up 5 items of litter to dispose of. Never forget, the public's opinion of us as sportsmen and women depends on us leaving only footprints behind.

ANGLING TRUST
THE VOICE OF ANGLING
